

**Abusers strangle to
show their
victims they can
kill them anytime
they choose to.**

STRANGULATION AND GENDER BASED VIOLENCE

This two hour offering will explore medical terminology of anatomical structures, neurobiology of trauma, and physiological response to mechanisms of strangulation, choking, and suffocation.

ABOUT THE SPEAKER:

JENNIFER GREEN MSN-FN, BA, RN, SANE-A

Jennifer Green has worked for Saint Luke's Health System for over 19 years in Intensive Care, the Emergency Department, and Critical Care. She is currently the Clinical Forensic Care Program Manager for the Saint Luke's Health System over 16 hospitals. She is an expert in strangulation, choking and suffocation and has trained more than 4000 police officers, prosecutors, advocates, and health care professionals in anatomy, physiology, assessment, and documentation of strangulation, choking, and suffocation and provides expert testimony in multiple jurisdiction in Kansas City.
